

Turkmenbashi International Airport information

PUBLIC TRANSPORT:

Turkmenbashi International Airport is approximately 2.7 km from the Turkmenbashi city center. Although there is no public transportation from the airport to the city center, there are shuttle buses belonging to a private company. You can easily reach the city center by using these buses.

TAXI:

From Turkmenbashi International Airport, the city center is about a 5- to 10-minute drive via taxi. Many taxis do not use taximeter, so it is useful to agree on a fare before the ride.
