

Public transport

You can reach Sinop city center from the airport using the passenger shuttle buses that depart every day as soon as all passengers have left the airport after flights have landed. You can also get to the airport using the shuttle buses which depart from the city center 1½ hours before each flight. The distance between the airport and the city center is 8 km and your journey should take approximately 15 minutes.

Taxi services

If you don't want to waste time waiting for the passenger shuttle, you can get to the city center using the 24 hour taxi service that runs from the airport. The average cost of a taxi from the airport to the city center is 25 Turkish lira.
