

Public Transportation (20 - 40w)

Around 30 km from Casablanca's city center and located in Nouaceur Province, the Mohammed V Airport (CMN) is also known as the Nouaceur Airport. The train journey from the airport to the Casa Voyageurs train station in the city center takes around 35 minutes. Trains run every hour between 06:50 and midnight. You can also jump on a CTM bus outside the terminal, and that will take you to the center. This journey lasts around an hour.

Taxi (20 - 40w)

It's easy to find a taxi outside Mohammed V Airport at any time of the day, and the drivers will offer you a set price to take you to the city center. Don't take this offer too seriously and always insist that the driver puts on the taximeter. The journey from the airport to Casablanca city center should be between 25.00 and 30.00 Euros.
