

Public Transportation (20 - 40w)

It's easy to get from Paris Charles de Gaulle Airport (CDG) (Sometimes called Roissy Airport as that's what it used to be called) to the city center using public transport. The RER trains will get you there in around 30 minutes at a cost of 9.75 euros, or the RoissyBus shuttles will take around an hour at a cost of 11 euros. There are also the 350, 351 and 19 buses which make the 30 km trip between the airport and the city center.

Taxi (20 - 40w)

Taxis from Charles de Gaulle Airport to Paris city center will cost between 50 and 70 euros. Don't forget that the price of taxis increase by anywhere up to 15% late at night, early in the morning, on Sundays and public holidays.
