

Public Transportation (20 - 40w)

There are regular buses that make the 10 km trip to the city center from Warsaw Chopin Airport (WAW). As a result it's easy to go between the two points relatively quickly. Between 04:40 and 23:00, buses 148, 175, 188 and 331 all make the journey, and the N32 night bus operates outside those hours. Tickets are around 60 euro cents.

Taxi (20 – 40w)

There are three different taxi stands at the Warsaw Chopin Airport and all have their own rates. To go from the airport to the city center is around 8 euros.
