

**Public transport**

Busan city center is 16 km from the airport and there are both metro and bus transport options. It costs 1,500 Korean won to reach the city center on the light rail metro system and the journey takes about 20 minutes. You can also get to the city center using the public bus service, which takes 30–60 minutes depending on the traffic. It costs 1,000 Korean won to get to the city center on the bus.

**Taxi**

If you don't want to waste time waiting for the metro or bus service, you can get to the city center using the taxi service that runs from the airport. The average cost of a taxi from the airport to the city center is 30,000 Korean won and the journey takes about 30 minutes.
