

**Public Transportation (20 - 40w)**

There are frequent buses which make the 20 km journey to the city center from Tel Aviv Ben Gurion Airport (TLV). Along with the number 21 and 23 buses leaving from right outside the terminal exit, there are also Metro stations in the Level S and Level G areas of the airport.

**Taxi (20 - 40w)**

Using licensed taxis to get to the city center is also easy. The taxi stand can be found outside Terminal 3, and the 20-minute journey will cost around 15 euros.
